

India—The Climatic Conditions

LESSON PLAN

SPECIFIC OBJECTIVES

The students will learn about

- what climate means
- the elements of climate
- the seasons in detail

TEACHING AIDS

Chart papers, flashcards, a projector, blackboard, chalk, duster, pointer, etc.

TEACHING STRATEGY

- Start with Warm Up.
- Tell about climate.
- Tell about the elements of climate.
- Tell about the winter season, summer season, rainy season and autumn season.

BOOST UP

- To make the lesson interesting, the teacher may show chart papers, flashcards and maps.
- The teacher will initiate a discussion on the topic given in Think and Answer.

EXPECTED LEARNING OUTCOMES

The students are able to learn about

- what climate means
- the elements of climate
- the seasons in detail

EVALUATIVE QUESTIONS

The teacher may ask the following questions to evaluate the students.

1. What does the word, 'climate' mean?
2. Write the elements of climate.

3. Name the different seasons.
4. Name the two Monsoon branches that blow over India.
5. What do you mean by 'cycle of seasons'?
