- The teacher will tell about the need of different dresses according to seasons. The teacher may also tell the students that people of different regions wear different dresses.
- Then, the teacher will tell about the sources of clothes. He/She may show pictures of different dress materials, e.g., wool, cotton, etc.
- The teacher, then, will give a brief introduction about uniform. He/She may advise the students to wear neat and clean uniform every day while in the school.

BOOST UP

- To make the lesson more interesting the teacher may use projector and colour pictures.
- He/She may ask the students to name their favourite dresses.
- The following rhyme may be recited in the class. After that, the teacher may ask the students to name the dress materials named in the rhyme.

Baa baa white sheep,
Have you any wool?

Yes, sir, yes sir,

Three bags full.

One to mend a jumper,

One to mend a frock,

And one for the little boy,

With holes in his socks.

- The teacher may show pictures of uniforms of people engaged in different professions.
- The teacher may explain the idea given in the Knowledge Zone.
- In the last, the teacher should tell the students to keep their clothes neat and clean.
- The teacher will ask the students to solve the exercises to evaluate them.
