Housing and Clothing

LESSON PLAN

SPECIFIC OBJECTIVES

The students will learn about

- ✧ types of houses
- ✧ a good house
- ✧ clothes we wear

TEACHING AIDS

Pictures/charts/models/animations on a good house; pucca house, kutcha house materials used in constructing pucca and kutcha houses; permanent house; types of temporary houses; types of roofs of houses; clothes we wear in different seasons (all as given in chapter)

LESSON PLAN

- ✧ Teacher will start the chapter with 'Gear Up' section discussing the need of house and the comforts we get in our house.
- ✧ With the help of teaching aids, teacher will discuss the types of houses based on the building materials used.
- ✧ Teacher will also discuss different building materials used in building pucca and kutcha houses.
- ✧ Now, teacher will discuss the differences between permanent and temporary houses.
- ✧ With the help of teaching aids, teacher will explain different types of temporary houses and the material used for building them.
- ✧ Now, to evaluate the understanding of students, teacher will ask them to solve the 'Check Point' given in chapter.
- ✧ With the help of teaching aids, teacher will explain two types of roofs of houses and the need of a particular type at a particular place.
- ✧ Now, teacher will tell some features of a good house.
- ✧ Now, teacher will discuss the need of clothes and the types of clothes we wear in different seasons.

- ❖ At last, teacher will sum up the lesson by going through the points given under the head 'Wrap up now'.
- ❖ Teacher will help students to answer the questions given under the head 'Practice Time'.

BOOST UP

- ❖ Teacher may encourage students to collect pictures of different types of houses and paste them in their scrapbook.
- ❖ Teacher may ask students to write few lines on their houses before starting the exercises given in the section 'Practice Time'.

EXPECTED LEARNING OUTCOMES

The students understand and know

- ❖ the need of a house and the comforts we get in the house.
- ❖ pucca and kutch houses and the material used in building them.
- ❖ permanent and temporary houses.
- ❖ types of temporary houses and material used to build them.
- ❖ types of roofs and their need at different places.
- ❖ features of a good house.
- ❖ need of clothes and the types of clothes we wear in different seasons.

EVALUATIVE QUESTIONS

Teacher may ask the following questions for evaluating learning and understanding of students:

1. Why do we need a house?
2. Name some temporary houses.
3. Which type of roof do houses have in plains?
4. Which type of clothes do we wear in winter season?
