WORKSHEET 1

COMPREHENSION

Once upon a time, there were three mischievous kittens named Mittens, Boots and Socks. They loved to play and explore, but often got into trouble with their naughty behaviour.

One day, Mittens climbed up the curtains and tore them down, while Boots knocked over a vase and spilled water all over the floor. Socks, meanwhile, was busy unravelling a ball of yarn.

Their owner, Mrs. Smith, was not happy with their behaviour and scolded them sternly. But the kittens were not deterred and continued to cause chaos around the house.
