### WORKSHEET 1

#### COMPREHENSION

Read the following passage given below and answer the questions that follow.

Benny was always out playing and came home every day dirty and messy. His mother was fed up of telling him to stay clean. He did not like to have a bath. Sometimes, he would fall asleep without a bath and his bed also got very dirty. One day, his mother got him a puppy. The puppy had fallen into a puddle and was wet and dirty. He ran around the house and jumped on Benny's bed. This made Benny very angry. He told his mother to wash the puppy and clean the room, but she refused. Benny had to bathe the puppy, clean his room, and then take a bath himself too. After that day, Benny never got dirty, and he and the puppy became good friends.
