Worksheet 1

COMPREHENSION

The old man now opened the door and Heidi stepped inside after him. She found herself in a good-sized room, which covered the whole ground floor of the hut. A table and a chair were the only furniture; in one corner stood the grandfather's bed, in another was the hearth with a large kettle hanging above it; and on the further side was a large door in the wall - this was the cupboard. The grandfather opened it; inside were his clothes, some hanging up, others, a couple of shirts, and some socks and handkerchiefs, lying on a shelf; on a second shelf were some plates and cups and glasses, and on a higher one were still a round loaf, smoked meat and cheese, for everything that Alm-Uncle needed for his food and clothing was kept in his cupboard.
