## Worksheet 1

### COMPREHENSION

There was a birthday party in the forest. It was the birthday of Billy, the rabbit. All the animals were invited to the party. Billy's mother had brought cakes, nuts, cookies, buns, carrots and sweets for everyone. The squirrels, parrots, deer, foxes, monkeys, elephants, bears and lions were all there. Billy's mother quickly sent a fox to get some more things. He came back with sugar cane for elephants, honey for bears and bananas for monkeys. Lions were happy to eat buns and cakes.
