

3. Save Water – Save the World

WORKSHEET

1

COMPREHENSION

Read the following story and answer the questions that follow.

Once a king went to a jungle for hunting. He spotted a deer. He followed it deep into the jungle. Suddenly, the deer went out of sight. The king came out of the jungle too tired and thirsty. But he found no water. He sat down on a rock. He felt like dying of thirst. After some time, he saw a man carrying water. The king asked for water to save his life. The man put a demand for his kingdom as a reward. The king promised and the man gave him water. Refreshed, the king offered the man to take charge of his kingdom. The man burst into laughter. He said, "Water is so precious that you were willing to give up your kingdom! But I don't want anything." He then said, "I have a request. Never waste water. Please ask your public also never to waste water. Every drop of water is precious."
