1 Worksheet

COMPREHENSION

Once there was a fire in a forest. All animals were running away. A group of monkeys also ran. They jumped from branch to branch on the trees. Then they came to a stream and jumped across that also. But one small monkey could not jump. So the monkey king tied his tail to one branch and swung to the tree across the stream. He asked the little monkey to walk over him and cross the stream. Thus, he helped the small monkey and saved him.
