

Fun Time

Read and Enjoy	➤ Read aloud the poem and then divide the class into three groups. Each group will read/recite one stanza. Correct them where required. Explain the poem. Point out opposites like up/down, to/fro, high/low.
Read and Understand	➤ A & B : Read out the exercises and explain them one at a time, especially how to do crossword puzzles. Then do them orally, if possible draw the crossword on the board. After that the students can write the correct answers in their books.
Appreciating the Poem	➤ Read out the exercise and explain about rhyming words. Then do the exercise orally before asking students to mark the correct answers.
