

# Periodic Test Paper – 2

(Units 3-4)

Time: 1 hour

Maximum Marks: 50

**A. Read the passage given below and answer the questions that follow.**

A farm is a piece of land used to grow crops and/or raise animals for produce. People who grow this produce are called “farmers”, and their work is called “farming”. Farms are of many types, some are large and some are small in size – Farms are run by people who eat the food they farm while other farms, usually large ones, sell their products to many people in big cities. A farm that raises and trains horses is called a stable. A farm that produces fruits or nuts is called an orchard. A farm that raises dairy cows to produce milk and dairy products is called a dairy farm.

**A. Answer the following questions.**

**(10 marks)**

1. What is a farm?
