

Periodic Test Paper - 3

(Units 5-6)

Time: 1 hour

Maximum Marks: 50

A. Read the passage given below and answer the questions that follow.

Friendship Day is a day to express our love for our friends. It is a day to tell our friends how much they mean to us and how much we value them. A strong bond that is formed at any time is friendship. A friend might be our closest companion even if we are not related by blood. When someone is always there to support and encourage you, a true friendship is born. A true friend is one who respects your feelings, while you are happy and have no trouble passing the time with him/her. The basis of a true friendship is equality, loyalty and honesty. **(10 marks)**

Now answer these:

1. Why do we celebrate Friendship Day?
2. How is a strong bond formed between two people?
3. Do you think friends are our closest companions?
4. Do you like spending time with your friends?
5. What is the basis of true friendship?

Give the antonyms of the following words.

Friend	_____
Equality	_____
True	_____
Happy	_____
Honesty	_____
